Sophs Rate High: Take Trophy

Class Assemblies Show 'Best' Of Sanger Talent

As a fitting climax to this year's class assemblies, a review of the judges ratings concerning the individual performers disclosed the following information. These acts were judged 'best' by the group of judges.

In order to qualify for this title, the performer must have been judged 'excellent' by at least TWO of the judges.

Each act was described as excellent, good, average, or not needed, by the judges.

Following are the performers who received TOP ratings.

JUNIOR ASSEMBLY: Leonard Peterson for a comedy monologue and Sandra Rix for a twirling routine.

SOPHOMORE ASSEMBLY: Karen Kanagawa and Nancy Luther for their duet and Christine Saroyan for her singing solo.

FRESHMEN ASSEMBLY: The Frosh Combo composed of Peg Pollock, Terry Kershaw, Ed Ogawa, Mark Bender, Dave Mortenson and Larry Duckhorn, and the Champagne pantomime of Linda Moya and Donna Loscano.

On the basis of the ratings given by the judges to these performers, they were invited to perform in the Fresno High and All-School assemblies.

Sophomores Show Talent In Showboat Assembly

Frosh Take Enthusiastic Musical 'Journey To Oz'

Junior Show Proves Hit With Beat

Shaw's production of "Pygmalion" combined with the music of Lerner and Lowe's "My Fair Lady", proved to be the most successful play presented by the Sanger Players in recent years. Attendance opening night broke all records and the Thespians and theatre-goers alike unanimously voiced opinions for another play to be presented in the spring. The play was directed by Donald Peoples and the stars pictured above include: Billy Ebell, Christine Saroyan, Claudia Packer, and Billy Wolf.

Junior Billy Ebell, moved up from a featured roll in last year's production of "A Roomful of Roses" to the lead of "Pygmalion". In "Pygmalion" Billy delighted the audience with his interpretation of Shaw's elusive, educated, and temperamental professor.

Under the skilled techniques of Professor Higgins, Christine Saroyan, as Eliza Doolittle, strained to learn proper English. The audience was elated with her singing of the songs from "My Fair Lady" which greatly enhanced her already excellent performance.

MY FAIR LADY

College players or summer theatre groups generally are the ones to attempt a production such as this year's all school play, "Pygmalion." In view of the excellent support given last year to "A Roomful of Roses" and the acting ability of the cast, it was decided to try another "first" at Sanger High. The decision proved to be a good one and the production will be remembered by many as the most enjoyable and professional job of acting ever performed on the local stage.

Stars Back Stage

The Freshmen displayed much enthusiasm as they toured the 'LAND OF OZ' while presenting their very entertaining assembly. Anne Curde directed this show which placed second only to the Sophomores in this year's balloting for the 'best assembly award'.

The Juniors managed to produce the 'most creative script' when they presented their successful version of "The Birth of the Beat." Under the chairmanship of Tammy Jensen and Karen Priebe the Juniors worked hard and were rewarded with a 'first class show'.

Presenting the winning assembly 'SHOWBOAT' proved to be a major task for the cast and the crew. Pictured to the left are those who gave their time and talent for this show. Sophs Rhinda Dutcher, Karen Kanagawa and Stephanie Wood are not pictured but also worked on the assembly.

For the Echo Staff in Room 1, the most exciting moment of 1963-1964 was sending the last page of the Echo to be printed! Their year was filled with excitement, frustrations, dissappointments, and fun producing a yearbook, which the staff presents to you, the students and faculty of Sanger Union High School. We have tried hard to satisfy your expectations, and we hope that you will treasure this Echo and its memories for many years to come, for only then will our purposes be achieved.

Marilyn - Tom Attend Boys' - Girls' State

California Girls' State is part of the National Youth-in-government program which is sponsored by the American Legion Auxiliary. It is held annually on the campus of the University of California at Davis. A girl is chosen to attend from each of the high schools in California. At Girls' State they participate in a vibrant exhibition of true democracy, based upon the mythical cities, counties, and states.

Marilyn Booth

I felt it quite an honor and privilege to attend California's Boys' State at the state fair grounds in Sacramento. Boys' State has become an American Legion program of great benefit to all who attend each year. This year there were over eight hundred boys of every race and creed from every part of California.

During the week we were there, we not only were able to study our democratic form of government, but we made practical use of what we had learned. I believe that each boy left Boys' State with a better understanding of American government and the responsibilities connected with it.

One of the newest and most active clubs on campus is the Sanger Chapter of the National Forensic League. The club gained its charter to the National organization in 1961—an enormous task for the few students who participated. Ever since, its members have entered various speech tournaments and brought many honors to Sanger High.

Much is expected of this active group and the organization is expected to expand greatly in the next few years.

Discussing program

Preparing for Open House and Back to School night.

The force behind any school is the P.T.A. Sanger High has a very fine organization of parents and teachers who work 'behind-the-scenes' doing what must be done to insure proper education. The P.T.A. is instrumental in providing scholarships for deserving students and in assisting the needy students of Sanger High. It is this organization that provides the good-will between the school and the community.

FACULTY

The school year 1963-64 has loomed large in the minds of everyone connected with Sanger Union High School. Our enrollment is by far the highest it has ever been. We have 100 more students on our campus than we had a year ago.

I extend congratulations to all the graduating seniors of 1963-64. To those students who will be returning to Sanger High next year I pledge continuing support for the finest educational program that can be devised for our school. With the importance that is attached to education in our society during the 20th century anything short of our finest effort can prove fatal.

Best wishes,

Harrison R. Dyer

Superintendent

As you look over the pages of this book in the years to come they will become more and more valuable to you. They will become the link to refresh your memory of those wonderful days of your youth. As we grow older that memory fades and the pictures and events included here will bring back your friends and associates and activities. Congratulations to the staff for the production of this fine book — a book worthy of the reputation of S.U.H.S. established by you, your parents and our community. May the years ahead bring each student joy and success in life.

CSL Champs

For the fourth time in five years, the Sanger Varsity Apaches, under the able supervision of head mentor, J. R. Boone, and his assistants, Dean Nicholson and Dean Philpott, galloped to the Central Sequoia League Championship. The Apaches trampled their league opponents with an awesome display of devastating thrust stimulated by the formidable desire of the offensive unit and the ability of the stubborn defensive unit to counteract the forward movements of the opposition. They were led by the bullet-passing arm of Jack Westerick, pass grabbing of sticky-fingered end, Dennis East, and the line bucking of John Hackler.

B's Gain Experience

The Sanger Braves, under the direction of Armando Gonzales, first-vear coach, and the assistance of coaches Nish Haroian and Bob Kelly, showed an abundance of future talent. Hobbled by injuries and lack of returning lettermen, the gallant Braves showed a strong desire to win. This was a truly explosive team that could never be counted out of a game. The Apache's water polo team, paced by sharpshooters Larry Heiman and Ronnie Sharples, and the defensive work of goalie Dave Hasegawa, had a very successful season despite the lack of experience in this, the first year of valley water polo. At the conclusion of the season the "tankers" placed third in the league tournament at Visalia.

Experience and humor formed the base around which this year's golf team and Coach Nicholson prepared to defend their league championship. Chris Albright and Larry Jensen combined to monopolize the first two positions on the team. Returning lettermen Tom Schroeder and Barry Wagenhalls were joined by Duane Deaver, Bill Schafer, Ken Sonkson, Mark Vester, and Lee Barnhart in the battle for the final four spots.
